

Krakow, 9<sup>th</sup> February 2024

### REQUEST FOR PROPOSAL No. ABM-09022024A

In connection with the implementation by Ryvu Therapeutics S.A. of the project “The conduct of a phase II, multicentre, open-label clinical trial (RIVER-81) evaluating the safety and efficacy of RVU120 in combination with venetoclax in patients with relapsed/refractory acute myeloid leukemia who have failed prior therapy with venetoclax and a hypomethylating agent” no. 2022/ABM/06/00002/P/02 (hereinafter: “Project”) co-financed from the state budget by the Medical Research Agency under the Competition: Development of targeted or personalized medicine based on therapeutic products based on nucleic acids and small-molecule compounds no. ABM/2022/6, Ryvu Therapeutics S.A. invites proposals for the execution of the following defined description of the order.

#### I. ORDERING PARTY/SPONSOR

Ryvu Therapeutics S.A.  
Sternbacha 2, 30-394 Krakow, Poland  
EU VAT PL6792942955

#### II. DESCRIPTION OF THE CONTRACT

This contract concerns the execution of the **sequencing services** in the phase II clinical study of a study drug in combination with a market drug in patients with AML.

##### II.1. Description of the orders

###### **Part 1 (order 1) – Eucaryotic mRNA sequencing**

RNA sample QC  
cDNA directional library preparation (poly-A enrichment)  
PE150; Q30>=85%  
sequencing 30M PE reads = 9GB data per sample  
Data quality control  
Data delivery via cloud

Number of samples: 114.  
All samples will be sent in one batch.

If the sample fails the quality control, the Ordering party will resend the missing sample/samples or pay only for part of the service (QC).

QC to be performed on all samples, further testing only for samples that pass QC.

If the sample fails the quality control, the Ordering party could resend the missing sample – to be decided after QC.

###### **Part 2 (order 2) – Human Strand Specific mRNA sequencing**

RNA sample QC,  
Directional mRNA library preparation (poly A enrichment),  
PE150, Q30>=85%, 9 G raw data per sample,  
Data quality control  
Data delivery via cloud

Number of samples: 72. All samples will be sent in one batch.

If the sample fails the quality control, the Ordering party will resend the missing sample/samples or pay only for part of the service (QC).

QC to be performed on all samples, further testing only for samples that pass QC.

If the sample fails the quality control, the Ordering party could resend the missing sample – to be decided after QC.

The Ordering Party allow the possibility of submitting partial offers (2 parts of the order).  
The cost of sample delivery is the responsibility of the Ordering Party.

## II.2. Rules of order execution

- **CONTRACT TERM:** Deadline for performance of the contract: 31<sup>st</sup> May 2024.  
Individual orders will be placed when the samples are ready for shipment.  
In the event of prolonging the completion date of the Project stage, the agreement may be extended following changes in the Project co-financing agreement.
- **OFFER VALIDITY PERIOD:** at least until 15<sup>st</sup> April 2024.
- **ORDER COMPLETION DATE (TURNAROUND TIME):**
  - Part 1: up to 30 working days from positive quality control from receipt of Ordering Party's confirmation of the sample quality control report
  - Part 2: up to 28 working days from positive quality control from receipt of Ordering Party's confirmation of the sample quality control report

## III. PLACE, DATE PLACE, DATE AND PROCEDURE OF SUBMISSION OF QUOTES

- III.1. The proposal must be submitted by: **16<sup>th</sup> February 2024.**
- III.2. The proposal must be sent via e-mail to the following address: [tenders@ryvu.com](mailto:tenders@ryvu.com). The message with the proposal should refer to the RFP number indicated on the first page: **ABM-09022024A.**
- III.3. The proposal and its attachments must be prepared in English or Polish.
- III.4. The proposal should be prepared in an accordance with the form constituting Appendix 01 to this RFP.  
**The Bidders must provide the price for the service for 1 sample and the price the execution of the scope of the contract (total price for service of part 1 and part 2).**

## IV. ADDITIONAL INFORMATION

- IV.1. The Ordering Party allows for the possibility of awarding to the Contractor supplementary orders, in an amount not exceeding 50% of the value of the contract specified in the agreement concluded with the contractor, while such orders are consistent with the subject of the basic contract.
- IV.2. The terms and conditions of the agreement may change during the course of the agreement (Ordering Party reserves the right to amend the agreement):
  - in terms of the timelines and term of the agreement – following changes in the scope of the study and Project (extension of the duration of the Project, extension of appropriate stages of the Project, change of research plans);
  - in the event of force majeure as an event which is externally impossible to foresee and which could not have been prevented and whose consequences and effects could not have been prevented.
- IV.3. The Bidders may ask the Ordering Party to clarify the content of the RFP. If the request for clarification of the content of the RFP was received later than by the end of 14<sup>th</sup> February 2024, the Ordering Party may provide explanations or leave the application unexamined. Questions must be sent to the following e-mail address: [tenders@ryvu.com](mailto:tenders@ryvu.com).
- IV.4. The Ordering Party reserves the right to change the content of the RFP, including changes in the terms of the procedure. Bidders will be informed.
- IV.5. The Ordering Party reserves the right to ask the Bidders at any stage of the evaluation of proposals for additional information, documents, additions or explanations. The Ordering Party's contact with the Bidder will take place by e-mail indicated in the content of the proposal sent by the Bidder.
- IV.6. This RFP serves to estimate the market price of the contract (for all samples to be entirely tested). The Ordering Party reserves the right to enter into negotiations with Bidders who have submitted a proposal and meets the conditions for participating in the proceedings. Arrangements regarding the date of negotiations will be carried out by e-mail. The modified proposal may not contain conditions less favorable than the original proposal.
- IV.7. This RFP does not oblige the Ordering Party to conclude a contract.
- IV.8. For more information, please contact Anna Dziedzicka at the following email address: [tenders@ryvu.com](mailto:tenders@ryvu.com).
